## Notes:

- Prices are a guide only and can be subject to change due to extra time required to complete a groom. Factors that may impact price: grooming behaviour, special accommodations, coat condition (matting, build up of undercoat, grown out styles). Quotes happily given upon request when assessing dogs on arrival.

- A handling fee of \$20-\$50 may apply where a dog requires a second person present in order to be groomed safely
- Where a groom can not be safely completed due to behaviour, you will be charged for time spent on the attempt based on a rate of \$75 p/hr as per my safety policy

## **Service Inclusions:**
